

GFORCE RANGE GFORCE 2

Continuous flow,
water-based fog
machine

Le Maitre®
PYROTECHNICS & SPECIAL EFFECTS

The GForce 2 is the mid-range model in Le Maitre's GForce range of high powered, continuous flow, rugged, water based fog machines.

The G-Force 2 demonstrates powerful continuous output, with the patented Genesis heating block technology providing a uniquely efficient system enabling unrivalled, powerful continuous output with no reheating required.

Operation is via DMX or an optional remote control.

Ideal for use on stage and film, sporting events, theme parks and in fire safety and military training.
